

## CARAFE WITH SALAD OIL POURER

The salad oil pourer is designed to pour with precision.

- ✓ Surplus oil is channeled back through a small hole in the rubber rim.
- ✓ Complement the oil carafe with a second carafe containing vinegar - the perfect match.
- ✓ The Oil Carafe is designed to complement the other products in the Grand Cru range with their characteristic grooves and cone shape.

The salad oil pourer is made of matt polished stainless steel and black rubber.

The Carafe is also made of matt polished stainless steel and from glass without lead.
