

Steel Saguaro Cactus

height - 5 ft. to 14 ft.

arms - 1 ft. to 6 ft.

color - galvanized, verdigris,
patina rust, mirror

Crown Flowers (set of 3)

can be used to mount water
mistifiers and interior lights.

Internal Light Kit

wiring enters cactus through
hole near the base and runs to
top of all arms where lights are
affixed to crown flowers. kit includes
3 lights, wiring inside cactus and
transformer (can also be ordered
without transformer for wiring into
existing landscape lighting system
if preferred).

Base

made of 1/4" cold rolled steel with
eight 3/4" holes drilled for mounting
on nearly any surface (5 ft. saguaro
has smaller base with four 3/4" holes).
