

MILD PP - Wall-Ceiling

Design JORGE PENSI

- DESCRIPTION:** A large-scale, blown glass diffuser that appears to float off the ceiling and wall highlights this simple design. Compact fluorescent or incandescent light sources are available to provide diffused illumination. A companion pendant is also available.
- CONSTRUCTION:** A white metal back plate secures to a standard 4" octagonal junction box. The hand-blown diffuser is secured to the backing with clean, decorative screws.
- LIGHT SOURCE:** 1 x 100 watt, incandescent, A-19 (Provided)
2 x 13 watt, fluorescent, Gx23 quad (Not Provided)
2 x 18 watt, fluorescent, G24 quad, electronic (Not Provided)
- GLASS COLOR:** Satin White
- NET WEIGHT:** 17 lbs.
