## textile softwall

textile softwall expands from the thickness of a book to form a beautiful, translucent white, or opaque inky black freestanding wall. It is made from a highly durable polyethylene non-woven textile which is tear and water resistant. The 6'(1.8m) tall textile softwall can be expanded up to 20'(6m) long and the taller textile softwalls of 7.5'(2.3m), 8'(2.4m), and custom heights up to 10'(3m) can be expanded to a length of 16'(5m).
