

Stealth Coffee

Materials: Powder Coat Aluminum

Dimensions: 52"L x 18"W x 15"H

Designer: Chris Kabatsi

Colors: white black

The Stealth table is a standalone piece that is certain to be noticed. From its crisp edges to its sharp, angular planes, the table will provide a stimulating geometric platform for home or office environments. A glass sheet sits atop the base, which is formed from cast aluminum and powder coated in one of the available colors.
