

Series FLOATING CANDLES

The Floating Candles concept offers the possibility to combine several separate candle models, which can differ mutually, into a new fixture.

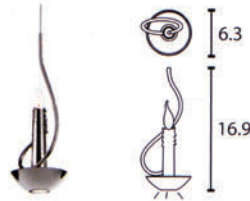

The four basic models are:

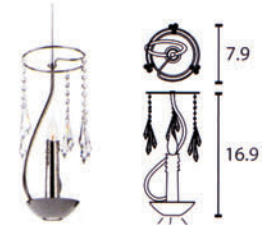

FCB18NU
Candle basic model

FCBCR18NU
Candle basic model, dressed with Swarovski crystals

FCDL18NU
Candle on platter, with downlight in it

FCDLCR18NU
Candle on platter, with downlight in it, dressed with Swarovski crystals

The basic candles can be used single (1), you can hang them 'In Line' (2), or create your own chandelier (3). The following options can be selected:

1

2

3

In Line

It is possible to combine a series of several candles In Line. This fixture can for example be used above a table or desk. For this fixture we recommend the use of a downlight.

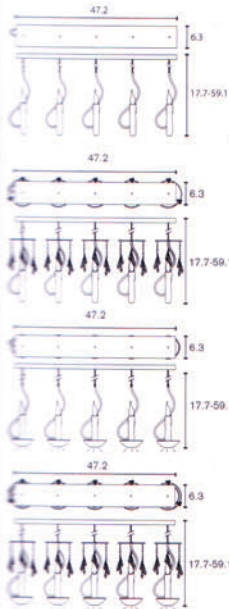

Chandelier

Beside this, it is also possible to compose a chandelier, consisting of different 'Floating Candles'. In this fixture Swarovski crystals can be used.
